PRINCIPALS NEWS

Working Bee:

I would like to thank the 17 families that gave up their time on Sunday morning to come along to the working bee. We really did achieve a lot with the few that were here. I would also like to thank anyone that has done some work either before or after school to tidy up around the school. The school is looking a lot better now that it is tidy and clean. If you see anything that you feel could still be done, please don't hesitate to ask Brad or myself if you need a broom etc to get the job done.

Thanks again to the following families: Dunscombe, McIvor, Little, Watson, Blackley, Maddocks, Berris, Crumpton, Graham, Harper, Fuller, Sharp, Smyth, DeGiorgio, Wilson, Majcenovic, Waldron, Gardiner.

Twilight Fair:

I look forward to seeing everyone here on Friday at the Fair. I know that there are many parents that are helping with the set up and organisation for the evening. If you are able to help in any way- just ask and we can give you a job to do. This is our major fundraiser for two years and we really do need as much help as possible to make this a success. The money we raise will be used in upgrading and updating our outdoor play areas, a very worthwhile cause. (We will also be able to purchase new sets of footy jumpers!) Let's cross our fingers for fine weather for the day.

Assembly this Friday:

Because we have the Twilight Fair on Friday and I know that there is lots to prepare beforehand we will hold our weekly assembly at 9:05am this Friday 17th November.

Kardinia Church Christmas Show:

The local Kardinia church has invited the school to their annual Christmas Show next Wednesday at 12:30pm in Marshalltown Rd. We invite all parents to come along too and join us. We are aware that some families do not wish their children to participate in this event. If you are one of these, please fill out the form in this newsletter and return it to the school or place a note in your child's diary to let teachers know. We will have a teacher stay back at the school to supervise these children.

Share Kindness Project

We have some exciting news, during the month of November all Extend services across Australia will participate in the Share Kindness Project.

The Share Kindness Project encourages children, their families and the school community to **perform acts of kindness**. It is based on individual, family-based and also community-based acts of kindness.

'Kindness Credits' are raised according to the below scale:

INDIVIDUAL acts = 1 kindness credit

FAMILY-based acts = 5 Kindness credits

COMMUNITY-based acts = 10 Kindness credits

The Extend program that raises the most Kindness Credits (measured against service attendances) will win \$1000 towards their chosen charity! For more information visit Extend's website: extend.com.au
