

Camps Policy 2019

Purpose:

Camps are seen as an integral part of the school curriculum as they enable students to explore, extend and enrich their learning and their social skills development, in a non-school setting. Camps may have a cultural, environmental or outdoor emphasis and are an important aspect of the educational programs offered at our school. A camp is defined as any activity that involves at least one night's accommodation.

- To provide students with the opportunity to participate in a camping program that is linked to social, cultural and educational outcomes for students.
- To provide shared class and year level experiences, team building and a sense of group cohesiveness.
- To reinforce and extend classroom learning.
- To provide a program that delivers skills and knowledge that may lead to a lifelong involvement in worthwhile leisure pursuits.
- To provide a program that promotes self-esteem, resourcefulness, independence, leadership, judgement, cooperation and tolerance.
- To further develop their problem solving and life survival skills
- To extend understanding of their physical and cultural environment

Scope:

- This policy applies to all camps organised by staff at Grovedale Primary School.

Policy:

- All camps must be approved by the Principal and School Council.
- The principal or their nominee will ensure that full records are submitted to council regarding the camp well in advance of the starting date of the event and that no camp occurs unless all the formal record keeping has been completed and approved
- All camps must be approved prior to running. This decision will be made by the Principal. The Principal in consultation with appropriate staff will consider the educational outcomes of the camp as well as the impact on the school program for the proposed dates.
- The Principal and Assistant Principal in consultation with organising teachers will ensure that all camps, transport arrangements, emergency procedures and student/staff ratios comply with DET guidelines.
- The Principal will complete the "Student Activity Locator" online 4 weeks prior to the camp departure date, and pass on to the Assistant Principal to ensure relevant details are recorded in the Daily Organisational Diary and are entered on the daily absence/planning sheets.
- All approved camps will then be presented to School Council for their approval.
- The supervising teachers will ensure supervision and care at all times and this non-delegable to any others, including parents and external providers.

ACCESS TO CAMP

- All efforts will be made not to exclude students simply for financial reasons. Parents experiencing financial difficulty, who wish for their children to attend a camp, are invited to discuss alternative arrangements with the Business Manager. Decisions relating to alternative payment arrangements will be made by the Business Manager in consultation with the appropriate staff, on an individual basis.
- All aspects of the camp will be outlined to parents in writing, including cost, sleeping arrangements, itinerary, activities, clothing and equipment lists, contact phone numbers, transport arrangements, student management processes, permission and medical forms and clearly stated payment finalization dates.

- All families will be given sufficient time to make payments for camps. All parental consent and medical forms must be completed, signed and returned and all money must be paid prior to leaving. Copies of completed permission notes and medical information must be accessible at the camp location by staff at all times.
- Only students that have displayed sensible, reliable behaviour at school will be permitted to participate in school camps. Parents will be notified if their child is in danger of losing the privilege to participate in a camp due to poor behaviour at school. The decision to exclude a student will be made by the Principal, Assistant Principal, in consultation with the organizing teacher. Both the parent and the student will be informed of this decision prior to the camp
- Parents will be requested to collect their child from camp if their child exhibits behaviour that is considered unacceptable or a danger to others. The Teacher in Charge, in consultation with a member of the leadership team, will make this decision. Costs incurred will be the responsibility of the parent.

ORGANISATION

- All food, equipment, staffing, organization of activities and student management procedures must be addressed prior to the camp. Consideration needs to be given to students with special dietary and medical requirements. Parents should notify the staff in writing regarding special dietary and medical requirements when returning consent forms.
- Office staff will be responsible for managing and monitoring the payments made by parents and will provide organizing teachers with detailed records on a regular basis.
- The Teacher in Charge must provide the General Office with a final student list
- In the case where a camp involves a particular class or year level group, the organizing teacher will ensure that there is an alternative program available for those students not attending the camp.
- The school will provide a mobile phone and first aid kit for each camp. The Teacher in Charge is responsible for collecting these prior to leaving.
- Parents may be invited to assist in the delivery of school camps. When deciding which parents will attend the organizing teacher will take into account any valuable skills offered (e.g. bus licence, first aid, etc), gender balance and special needs of particular students and hold a current Working With Children Check.
- For high risk Outdoor Education activities the staff member organizing must have suitable training and current qualifications. All staff members must be aware of the increased duty of care.
- The Teacher in Charge will ensure that student medical forms are available at the site and all camp staff are aware of special medical issues or medication requirements of any student.
- One staff member will be designated to take responsibility for administering student medication if required. (following consultation with parents and/or appropriate medical practitioners)

SITE SAFETY

- All safety requirements must be considered and adequately resolved prior to the camp. Telephone numbers of all emergency services must be provided to the school, and be taken on camp. If any swimming activities are to occur, there must be sufficient staff attending with appropriate swimming qualifications to enable safe supervision.
- Refer: Safety Guidelines for Education Outdoors
- A designated "Teacher in Charge" will coordinate each camp. All camps will have an experienced teacher in attendance where possible.
- The Teacher in Charge will ensure all students and adults attending the camp are aware of evacuation and emergency procedures.
- The teacher in charge will communicate the anticipated return time with the school office in the case where camps are returning out of school hours. Parents will be informed prior to students leaving for the camp, that they can phone the office to receive an updated anticipated return time.

Appendix A

Guidelines for teachers planning a camp

1. Introduction

Camps need to be planned well in advance and should relate to the curriculum being taught.

Students and their parents should be provided with information about the program's educational objectives, the nature of the activities, clothing requirements, the venue and costs well in advance.

Prior to single day excursions in which students leave the school grounds for the purpose of engaging in educational activities, the approval of the principal must be obtained.

School Council is responsible for the approval of:

- overnight excursions
- camps
- interstate and overseas visits
- excursions requiring sea or air travel
- excursions involving weekends or vacations
- adventure activities

Before approving an excursion, consideration by the principal and/or School Council needs to include:

- the contribution of the activity to the School curriculum
- the adequacy of planning, preparation and organisation
- the provisions of the safety and welfare of students and staff
- the experience and competence of staff relative to the activities being undertaken
- the adequacy of student supervision
- the cost

A parent must provide written consent for their child to take part in an excursion. Parents asked to sign consent forms must be given sufficient information about the nature of the proposed activity, the risks involved and the degree of supervision.

Parental consent is required for the following reasons:

- to authorise the school to have the student in its care after normal school hours
- to authorise the school to take the student out of the school environment
- to alert the school to any medical condition or allergies of the student
- to authorise the school to consent to emergency treatment for the student
- for the parent to consent to any financial cost of the excursion
- for the parent to consent to the student being sent home in the event of any serious misbehaviour

Consent forms are to be taken on the excursion by the teacher in charge, and the designated school contact person should hold a list of participants, a copy of the consent forms and contacts in case of emergency.

In addition to any teachers employed by the DEECD or the School Council, excursion staff may include other adults on a volunteer or paid worker basis, such as parents, school services officers, community members, campsite staff and trainee teachers.

School uniforms **must** be worn on all school excursions except whenever specialised clothing is a requirement, e.g. snow trip.

Only students who display sensible and reliable behaviour at school will be taken on camps and excursions outside the school.

Sensible and reliable behaviour at camps and excursions will be expected at all times. ***Students can be sent home if their behaviour warrants a severe consequence.***

2. Planning

Forward planning takes into consideration whole school demands and must ensure that the normal school program is not consistently disrupted.

Planning should include:

- a clear aim
- costing – transport, admission, etc (the costing must be realistic in terms of the nature of the experience and the resultant learning outcomes)
- the opportunity for payment in advance, by instalments or lump sum payment may be offered to parents
- staffing needs
- pre-visit if venue is new/unknown
- consideration of children whose parents may not be able to meet costs
- excursion book maintained for evaluation of the camp/excursion for future planning
- excursion approval forms to be completed and handed in one week prior to the activity
- arrangements for covering camp staff classes while they are away from school

3. Preparation

Preparation for any activity should include:

- quotes for transport
- booking of transport

- confirmation time for departure and return
- informing specialist teachers, parent helpers, area coordinator
- informing parents attending activity on discipline procedures
- preliminary classroom activities
- collection of monies
- arrangement for school cheque
- medical information, precautions and First Aid kit

Appendix B

Relevant details about School Council approved camps and excursions must be entered into the DET database using the online notification form available at:

www.eduweb.vic.gov.au/forms/schools/sal/enteractivity.asp

This notification should be provided three weeks prior to commencing the activity.
