Term 3 Week 6—16th August 2023

'Our commitment to Child Safety'

Grovedale Primary School is committed to the safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making. Grovedale Primary School has zero tolerance for child abuse.

Grovedale Primary School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability. Every person involved in Grovedale Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Dear Families,

School Safety Funding Announcement!

I am so very excited to be able to announce that the Federal Government has allocated \$1.13 million to upgrading safety around our school. We have been advocating for safety improvements to protect our families coming to and from school since mid-last year and I am delighted to know that this concern has been heard and plans are in place to address the issues.

The upgrade will include wombat crossings, reconstruction of the roundabout, road resurfacing, drainage and lighting.

While we wait for the construction and installation of these enhanced safety measures I encourage all families to take preventative measures including:

- Always use marked crossings and adhere to traffic rules.
- Encourage your children to stay vigilant and cross streets safely
- Remind your children to walk their bikes/scooters across roads
- Only park in designated parks. Visibility is blocked when cars park too close to the crossings
- Always slow down as you approach a school crossing

Keeping our children safe is our utmost priority, and your help in this is greatly appreciated.

Mayor Trent Sullivan, Tina Barnett, School Captains Isabella and Amaya, Libby Coker MP and Graham Byworth celebrating the announcement.

Book Week Parade 2023

This year Book Week is between 19th to 25th August, 2023 and the theme is 'Read, Grow, Inspire'. The students will be reading a selection of shortlisted books throughout the week and completing a variety of fun and engaging activities. We will be having a whole school book parade on Friday 25th August. Children are invited to come to school dressed as a character from a story.

Next week is Book Week which is a wonderful time to build excitement about reading, and focus on the joy that books bring into our lives. We will be hosting the annual Scholastic Book Fair in the Library. I'm always delighted when I see how happy children are when they purchase books, especially when they use their own pocket money. It's a special event that children remember well past their primary years! On Friday morning we will have a Book Parade, where children can dress up as their favourite book or character. The theme this year of 'Read, Grow, Inspire' has great scope to be creative and I can't wait to see what our children and staff come up with.

We have Italian Day, the Father's Day Stall, Come to School Visits, and the School Concert coming up in the next few weeks alone! We have so many exciting events happening, make sure you keep an eye on Sentral!

Stay well this winter

Symptoms of influenza (flu) can hit very quickly and may last several weeks.

Vaccination is the best way to protect yourself and others from getting the flu.

[Annual influenza vaccination](#) is recommended from mid-April each year and is free under the [National Immunisation Program](#) for those at higher risk of complications from the flu.

Keeping our school community well

Parents, carers and students are encouraged to practice prevention measures, including:

- washing and sanitising hands regularly
- avoiding touching eyes, nose and mouth with unwashed hands
- covering nose and mouth when coughing or sneezing · staying home if unwell and consulting a general practitioner (GP) or [Nurse-on-call](#) as required
- staying up to date with flu and COVID-19 vaccinations.

Flu vaccinations

Flu vaccinations can be booked through GPs and pharmacies, many of which can also provide COVID-19 vaccinations.

Flu vaccination is recommended for everyone aged 6 months and over.

Some people are more at risk of complications from flu and are eligible for free vaccination as part of the [National Immunisation Program](#).

COVID-19 booster

The 2023 COVID-19 booster dose is available for everyone aged 18 and above.

Getting your booster dose remains the best way to prevent severe illness or hospitalisation, especially in people aged over 65 and those at higher risk of severe illness.

You can have your booster dose 6 months after your last dose or COVID infection.

Children aged between 5 and 17 years who are at risk of severe illness can also receive a 2023 booster dose. You can get your next dose at your local pharmacy or GP. To find one near you, refer to the [vaccine clinic finder](#).

2. The Department of Health recommends that all Victorians should report their positive RAT result to the Department of Health either online or by calling 1800 675 398
2. Students who report a positive result are recommended to isolate for a minimum of 5 days and not attend school until their symptoms have resolved. Learning materials can be requested by the parent to be sent home for their child.
3. There is no longer a requirement for principals to inform the school community of a positive case associated with the school.
4. RAT's will no longer be sent home. The school has a small supply of them in the event you may need some more. Please contact the school's office if you require some to be sent home. Foundation—100 days of learning

On Friday 4th August, the prep students celebrated 100 days of school.

The theme was 100 days brighter and the children looked fantastic dressed in bright coloured clothes.

Students shared a variety of things to do with 100, such as shell collections, monsters with 100 eyes, 20 bracelets each featuring 5 beads and many, many more. They were all very creative!

We made special hats and necklaces using 100 fruit loops and spent time with our buddies. We also enjoyed a pizza lunch and enjoyed some treats throughout the day. It was an amazing day and the preps should all be very proud of themselves for being 100 days brighter.

Congratulations Preps!

A very big thank you to our parents group who helped organise this special day.
