Term 3 Week 10—13th Sept 2023

'Our commitment to Child Safety'

Grovedale Primary School is committed to the safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making. Grovedale Primary School has zero tolerance for child abuse.

Grovedale Primary School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability. Every person involved in Grovedale Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Dear Families,

Well, it has been a truly eventful and joyful term for everyone at GPS! From Book Week and Italian Day, to the School Concert and Footy Colours Day, we have enjoyed a variety of fun and educationally rich experiences, inviting our community in, and taking our students out.

Concert - I must formally thank Emma Waldron for her incredible work in putting together such a special night for us all. I was delighted with the design of the concert which showcased the diversity and strengths of all of our children. Watching the students on the floor join in with the performance movements and lyrics was a pleasure, as was hearing the whole of the Arena (over 650 family members) simultaneously laugh, sing, exclaim, clap and react to the performances. Thank you also to our students who were magnificent, our staff who ensured everyone was cared for and supported, also our staff for performing on the night. Finally, thank you to the families who provided costumes, purchased tickets and joined us to make the Grovedale Primary School Alphabet Concert such a roaring success!

The school concert is an enormous undertaking, and I would like to extend my gratitude to those community members who reached out after the night (through emails, calls and comments) to express their thanks and let us know how much they enjoyed the event. These comments were shared with the staff, and filled our buckets. Here's great story to share with your family on bucket filling! <https://www.youtube.com/watch?v=pOJy8-OC0iU>

Learning Lag Over long breaks, such as school holidays and long trips, students often drop a little back in their learning. It's a great idea to keep children reading daily over the break, and even keeping a journal or doing purposeful writing tasks at home (such as writing the shopping list, leaving notes for each other) so that when they come back to school they can continue to move forward. Some great ways to embed reading, maths and reasoning skills, is to play board games, do some cooking, do some construction/inventing, and so on). If your child is a reluctant reader, listening to audio books in the car or at bed time is an easy and powerful way to still grow literacy skills; fluency, the rhythm of language, vocab, all are developed through listening to stories.

As we head into the holidays, stay safe and enjoy the sunshine!

Stay well this winter

Symptoms of influenza (flu) can hit very quickly and may last several weeks. Vaccination is the best way to protect yourself and others from getting the flu.

[Annual influenza vaccination](#) is recommended from mid-April each year and is free under the [National Immunisation Program](#) for those at higher risk of complications from the flu.

Keeping our school community well

Parents, carers and students are encouraged to practice prevention measures, including:

- washing and sanitising hands regularly
- avoiding touching eyes, nose and mouth with unwashed hands
- covering nose and mouth when coughing or sneezing · staying home if unwell and consulting a general practitioner (GP) or [Nurse-on-call](#) as required
- staying up to date with flu and COVID-19 vaccinations.

Flu vaccinations

Flu vaccinations can be booked through GPs and pharmacies, many of which can also provide COVID-19 vaccinations. Flu vaccination is recommended for everyone aged 6 months and over.

Some people are more at risk of complications from flu and are eligible for free vaccination as part of the [National Immunisation Program](#).

COVID-19 booster

The 2023 COVID-19 booster dose is available for everyone aged 18 and above.

Getting your booster dose remains the best way to prevent severe illness or hospitalisation, especially in people aged over 65 and those at higher risk of severe illness.

You can have your booster dose 6 months after your last dose or COVID infection.

Children aged between 5 and 17 years who are at risk of severe illness can also receive a 2023 booster dose. You can get your next dose at your local pharmacy or GP. To find one near you, refer to the [vaccine clinic finder](#).

BUILDING RESILIENCE THROUGH INDEPENDENCE

Many of our children are struggling with worry and anxiety.

They may face social and online challenges and can often feel stuck. As parents, we can find this difficult to help our children, as they confront issues so different to the ones we faced at a similar age.

We want to help our adolescents to build their resilience, so when they encounter new challenges, they can tackle them with more confidence. This workshop is designed to help parents teach their children to be more resilient while building their independence. It will give parents simple and practical ideas to help their children, while developing strong, loving, and connected relationships.

Many of our children are struggling with worry and anxiety.

They may face social and online challenges and can often feel stuck. As parents, we can find this difficult to help our children, as they confront issues so different to the ones we faced at a similar age.

We want to help our adolescents to build their resilience, so when they encounter new challenges, they can tackle them with more confidence. This workshop is designed to help parents teach their children to be more resilient while building their independence. It will give parents simple and practical ideas to help their children, while developing strong, loving, and connected relationships.

BRINGING UP GREAT KIDS

The First 1000 Days

The first 1,000 days of life is a program for parents with children aged under 2 years and designed to nurture parents as they embark on their journey. It provides parents with knowledge about brain development and an understanding of how children grow and what they need. The centrality of family relationships and opportunities for parents to reflect on their own childhood and how to connect with their children are all explored.

BRINGING UP GREAT KIDS

Bringing up Great Kids is a 6-week supportive program for parents of children aged 12 months to 9 years.

The program aims to:

- develop parents' skills to enhance communication with their children;
- promote positive interactions between parents and their child/ren;
- encourage the development of a child's positive self-identity.

CIRCLE OF SECURITY

Circle of Security is an 8-week supportive program for parents of children aged birth to 5 years.

The program aims to:

- help parents understand how to build feelings of security for children in their early years;
- assist parents with skills to build on the positive relationship with their child;
- develop confidence in parents to respond to their child in a way which builds a secure foundation for children.

TUNING IN TO KIDS

Tuning in to kids is a 6-week supportive program for parents of children aged 4 to 10 years.

The program aims to:

- help parents teach and support their child/ren to understand and manage their emotions;
- support parents in encouraging children to express emotions appropriately;
- maximise children's social, behavioural and learning outcomes.

BRINGING UP GREAT KIDS

Parenting Adolescents

The program builds on maintaining positive relationships and interactions between parents and adolescents during the ages of 10 to 17 years.

This 6-week program will look at having a better understanding and being able to support your adolescent.

- Finding meaningful ways to stay connected with you adolescent;
- Understand that all behaviour and interaction have a meaning attached to it;
- Develop an increased understanding about the messages that they communicate to their adolescent through their behaviour, actions and attitudes;
- Develop skills to identify and manage their stress associated with parenting.

STEPPING STONES

Stepping Stones is a 5-week program for families with a child who has a disability. The program aims to help parents use Positive Parenting to acquire new skills and knowledge. Skills are practiced and parents receive constructive feedback about their use of skills.

OUR KIDS – Parenting After Separation

Our Kids is a 6-week course on parenting after separation and the impact of parental conflict on children. The course encourages parents to focus on the needs of their children and develop helpful communication strategies following separation. Courses run weekly for 6 weeks during school terms. Morning and evening sessions are available.

THE DAD WORKSHOP

This 6-week program will focus on giving you the tools you need to create a better life for your entire family.

We will look at simple things you can do to improve:

- your relationship with yourself;
- your relationship with your partner;
- your relationship with your kids.

FLOURISHING FAMILIES

A 5-week program for parents with children of all ages to discover how you can help your family to flourish.

Learn about:

- how you can promote resilience;
- increase awareness of your family's strengths;
- create and nurture positive family relationships;
- give feedback to support individual growth.

BUBS TO TOTS

Bubs to Tots brings mothers (up to 24 years) of children in the 1 to 2 year age group together for support and education.

NO MORE SCAREDY CATS

Reducing Anxiety and Building Resilience in Children

A 4-week program for parents of children 5 to 12 years to gain an understanding of the increasing levels of anxiety in a child and strategies to help manage the "traps and tripwires" with strengthening sayings, questioning strategies and mindful exercises.

TUNING IN TO TEENS

Tuning in to teens is a 6-week supportive program for parents of teens aged 12 to 18 years.

The program aims to:

- support parents to connect and communicate with their teens;
- assist parents with understanding adolescent development;
- help parents to assist their teen to develop emotional intelligence;
- remain empathetic and stay connected.

LIVING WITH TEENS

A model for building strong, secure connections. Living with Teens is a 3-week program.

The program aims to cover:

- what parents need to be able to meet teen's needs;
- what teens need from parents;
- adolescent development.

BUMPS TO BUBS

Bumps to Bubs brings young mothers and mothers-to-be (up to 23 years) with babies 0 to 1 year, together to support the journey of parenting.

DADS TUNING INTO KIDS

Dads Tuning into Kids is a 6-week supportive program specifically for Dads of children aged 3 to 12 years.

The program aims to:

- help dads to effectively tune in to their child's emotions;
- encourage dads to strengthen their emotional connection with their child;
- support dads to build skills in emotion coaching to assist their child's individual needs.

POSITIVE PARENTING PROGRAM

Available online via the Triple P website

www.triplep-parenting.net.au/vic-uk/en/triple-p/

STRENGTHENING FAMILY CONNECTIONS

Strengthening Family Connections is a free 8-week program for parents and their children aged 8 to 12 years. The program aims to build a positive family culture and strengthen family connections.
