Term 4 Week 6—8th November 2023

'Our commitment to Child Safety'

Grovedale Primary School is committed to the safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making. Grovedale Primary School has zero tolerance for child abuse.

Grovedale Primary School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability. Every person involved in Grovedale Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Dear Families,

Amazing Working Bee – I was so impressed with our last Working Bee! Despite having a small group, those that came worked incredibly hard and we got every job on our list completed! THANK YOU!

Playground Upgrades – Keep an eye on the Junior playground. By the end of this term there will be new pieces of equipment installed, replacing some of the oldest pieces. We have expended all of the fundraising from the Twilight Fair, all activities since, and we have added to this from the wider school budget. Over time, we will continue to upgrade and replace pieces so that the equipment is safe, modern and most important of all, fun! Thank you to everyone who has organised a fundraiser, supported us, or donated. It will be wonderful to see children using new equipment!

Common PPD – On the 13th of November, the teachers will be working on report development. This is a **student free day**. OSHC is available, although it may be full by now. We are waiting on approval to increase the number of students able to access this service but this is yet to be granted.

Splatacular – On December 1st we are having our Splatacular! Fundraising closes on the 17th of Nov, so make sure you get that sorted in time if you have your eye on a specific prize. The Grovedale Parents and Friends Group is planning some great activities to enjoy on the day. More will be published about this shortly so watch this space! This one is a combination of a colour run, with the added joy (!) of slime. Children will need an old white shirt, old pants and shoes to participate in. Children won't be returning to classrooms afterwards, so we recommend bringing a blanket for the car seat, it's going to be messy!

Have the most wonderful weekend.

Tina

Health Update for our GPS community

Good afternoon GPS families

This is a timely reminder to be vigilant with cold/flu symptoms.

Whilst school attendance is critically important, this does not include unwell children.

To minimise the spread of sickness in our school please do not send your child to school if they have any cold/flu symptoms.

Department of Education & Training – Management of Covid-19 in schools

It is recommended that staff members, students or visitors who have symptoms of cold, influenza or COVID-19 undergo testing for COVID-19.

Parents of symptomatic students will be asked to collect their child from school and keep them home until they are no longer symptomatic.

Students should not attend school until their symptoms resolve.

Most people are still infectious after 5 days and you should stay home if you are still experiencing symptoms like a runny nose, sore throat, cough, shortness of breath, fever, chills, or sweats.

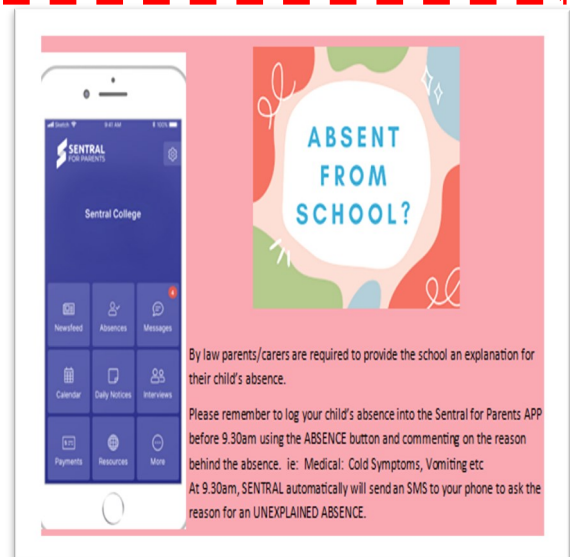

A negative RAT result is a helpful tool to determine whether you are still infectious. If you're unsure about ending your isolation, you should contact a GP or a GP Respiratory Clinic.

At school we will continue to use strong hygiene measures including sanitising, handwashing, air filters, open doors and supporting those students who wish to wear a mask.

SAFE TO SCHOOL—

Presented by Andy McNeilly

Many of our children are struggling with worry and anxiety.

They may face social and online challenges and can often feel stuck. As parents, we can find this difficult to help our children, as they confront issues so different to the ones we faced at a similar age.

We want to help our adolescents to build their resilience, so when they encounter new challenges, they can tackle them with more confidence. This workshop is designed to help parents teach their children to be more resilient while building their independence. It will give parents simple and practical ideas to help their children, while developing strong, loving, and connected relationships.
