Term 1 Week 6—6th March 2024

Email: grovedale.ps@education.vic.gov.au

## 'Our commitment to Child Safety'

Grovedale Primary School is committed to the safety and wellbeing of all children and young people. This will be the primary focus of our care and decisionmaking. Grovedale Primary School has zero tolerance for child abuse.

Grovedale Primary School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability. Every person involved in Grovedale Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

## Dear Families,

## **Easter Raffle Donations**

Just a reminder to send in any donations you have for our annual Easter Raffle - a much loved tradition here at GPS! Donations are due by the 25<sup>th</sup> of March, when parents will come in and package them up into prizes of varying size. We are seeking any kind of Easter prizes, including but not limited to things like chocolates, stickers, toys, books and the like.

If you have sold your raffle tickets already, please don't hesitate to come and get another book. The more the merrier!

School Council will decide where these funds are allocated to.

## Naplan - Year 3 and 5

The National Assessment Program is conducted annually for students in year 3 and 5. It assesses Literacy and Numeracy skills at a point in time. This year the NAPLAN testing window opens on the 13<sup>th</sup> of March. All students will participate in the assessments unless you, as a parent, complete an official 'Withdrawal Form prior to the commencement of the assessment. These forms are available by contacting Tina or Graham. If you have concerns about your child participating in Naplan please speak with their class teacher, Graham or I. Children who are absent will be given chances to complete assessments when they return to school where possible.

## **Assembly**

We love for families to attend our assembly each fortnight, and have scheduled for each class to present their learning at assembly at least once this year. There are a couple of things that will make it easier for us to ensure on-site safety, and that we start and finish on time that we ask you to be aware of:

- 1. Only the gate near the administration building is unlocked to enter the school for assembly. This is opened at approximately 2:45pm. No other gates will be unlocked.
- Classes must be given priority to enter the assembly and be seated so that assembly can begin on time.

We really appreciate your assistance in this.

## Student Health

Please ensure that you have provided the office with updated medical plans if your child has any on-going condition (anaphylaxis or asthma for example).

If your child has any new diagnosis, please provide the office with copies of their assessments/reports so that we can appropriately cater for and support every child.

## **DET Policy on Personal Items**

I remind families that DET does not hold insurance, nor does it accept responsibility for private property brought to school by students, staff or visitors.

Staff also cannot be responsible for items that have low value but are precious, so toys, collectibles and the like must stay at home as children can be distressed when these types of items are lost, broken or taken.

I hope you've enjoyed the warmth, and you have a terrific weekend.

## **Parking Safety Reminder**

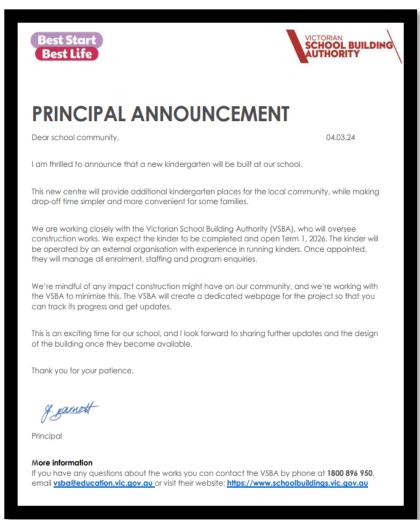

While there has been improvement in the speeds we are seeing from local traffic due to the Bailey St/Marshalltown Road intersection, we are still seeing considerable illegal and unsafe parking practices.

Please park only in legal parking bays, to allow the School Crossing Guard to have full visibility of the road in both directions.

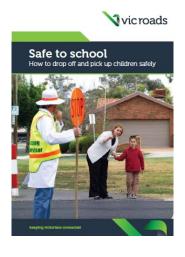

Also, please do not park in NIDO's carpark if you are not collecting a child form the centre, this is not public parking and causes issues for families who are trying to pick up toddlers.

Please arrive earlier for collection if you need to be close to the gates, or park further away and walk up to the meeting point you have set up with your child.

As always, our aim is not inconvenience families, but to keep children safe, and your assistance in this is both necessary and deeply appreciated.

## Annual privacy reminder for our school community

The School's Privacy Policy informs the school community that information about students can be shared to fulfil the schools' core functions of educating and supporting our students.

The Schools' privacy policy establishes a clarified 'need to know' framework, where school staff share information about students with other staff who need to know as part of their role. This is consistent with Victorian privacy law

Our school collects and uses student and parent personal information for standard school functions or where permitted by law, as stated in the <u>Schools' Privacy Policy</u> and the <u>Schools' Privacy Collection</u> Notice.

For more information about privacy, refer to: <u>Schools' Privacy Policy — information for parents</u>. This information is also available in ten community languages:

## MOBILE PHONES AT SCHOOL

A reminder that the Department of Education has in place a mobile phone ban that requires students who bring mobiles phones to school to have them switched off and securely put away during school hours.

The department is requiring all schools to ensure this ban is in place and enforced from the start of the 2024 school year.

The ban applies equally to all government schools right across the state.

This helps ensure that school is a learning environment free from unnecessary distractions and disruptions.

By ensuring mobile phones are kept away at recess and lunch times, students can interact with each other face-to-face, without the distractions and social pressures that mobile phones can cause.

I ask for the support of all our families, staff and students in continuing to support the implementation of this policy in our school.

**Exceptions:** For a small number of students with particular health needs, an exception to the policy may be granted.

Please contact me if you would like to discuss this.

**Emergencies:** In the event of an emergency or if you need to immediately contact your child, I ask that families contact the school office who will pass on a message as required.

**School mobile phone policy**: A copy of our school's local mobile phone policy, which implements the government's mobile policy in line with our local context, is available <a href="here">here</a>. (if you cannot get the link, it is on the school's website)

**Parent support:** The Mobile phones in schools webpage provides links to resources for families to help them balance their children's time using mobile phones.

If you have further questions, please contact the administration office.

Regards, Tina Barnett

## Grovedale Primary School is a Sun Smart School.

Being outdoors in Victoria means we're exposed to some of the harshest and most dangerous levels of ultraviolet radiation (UV) in the world.

Please remember that your children will need their hats to be able to play outside without any cover.

## **SCHOOL BEANIES**—

School beanies can be purchased. Forms have been sent via Sentral (check the Resource tab in the App)

and there are hard copies in the office. \$20—can be paid via EFT, Cash or BPay.

## **CAMPS, SPORTS & EXCURSIONS FUND (CSEF)**

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum. CSEF is provided by the Victorian Government to assist <u>eligible families</u> to cover the costs of school trips, camps and sporting activities.

\*\*If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

• \$150 for primary school students

# HOW TO APPLY for NEW STUDENTS (even if you are an existing family) or CHANGED FAMILY CIRCUMSTANCES

New applicants should contact the school office to obtain a CSEF application form or download from the website below. If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

If you are eligible, you only need to complete an application form if any of the following changes have occurred:

- new student enrolments: your child has started or changed to Grovedale PS this year.
- changed family circumstances: such as a change of custody, change of name, concession card number, or new siblings commencing this year (eg: This includes an existing family who has a **NEW** student starting at Grovedale Primary School)

Check with the school office if you are unsure if you have completed a CSEF form or if we have applied on your behalf due to the fact that you received the funding in 2023.

# Foundation Level Responsible Pet Ownership

## **Responsible Pet Ownership**

Last Friday the Preps had a special visit from Rebecca and Wilfred, the chocolate Labrador. Students did lots of listening, singing and dancing and learnt how to safely say hello to a dog. Some of the students got to meet Wilfred up close and give him a special pat.

It was lots of fun and the students did a great job following instructions.
