

'Our commitment to Child Safety'

Grovedale Primary School is committed to the safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making. Grovedale Primary School has zero tolerance for child abuse.

Grovedale Primary School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability. Every person involved in Grovedale Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Dear Families,

Harmony Day

Harmony day celebrates cultural diversity and it was wonderful to see students attending in orange, and wearing clothes from their own cultures today. I received the most beautiful card from one of our students, Dasha, wishing me a Happy Harmony Day. On the inside she wrote "Kindness and differences" surrounded by drawings of hearts. I couldn't put it better than that!

2025 Enrolments

It's already time to think about 2025 Foundation. There is a new process in place for families to put an Application to Enrol for 2025. The school can accept Applications from the start of term 2 until the 26th July. The school will provide letters of offer or non-acceptance between the dates of 29th July to the 9th August 2024.

If you have a child enrolling for 2025 and you would like to tour our school, please contact the office to make an appointment.

Attendance

Arriving before the bell is critically important in setting students up for a successful day. Please ensure that your child is at school by 8:50am. If a child arrives after 9am, they miss vital information including the running of the day, the welcome circle and the start of the first lesson which is usually one of our most important.

Easter Raffle Donations

Thank you for the Easter Donations, we are still accepting them! If you have sold your raffle tickets already, please don't hesitate to come and get another book. The more the merrier!

As decided by School Council, funds raised will go towards continuing to redevelop our playground spaces.

Naplan – Year 3 and 5

Congratulations to our year 3 and 5 students on completing Naplan over the last weeks. Students worked diligently to do their best on the day. Reports will be sent home to families once they are received by the school. This takes some months.

Student Health

Please ensure that you have provided the office with updated medical plans if your child has any on-going condition (anaphylaxis or asthma for example).

If your child has any new diagnosis, please provide the office with copies of their assessments/reports so that we can appropriately cater for and support every child.

School Holidays

The Easter holidays are coming up rapidly with Thursday 28th March being the last day of term 1, with dismissal at the earlier time of 2:30pm.

The holidays are a great time to connect with your children, and consolidate many of the skills they learn at school through reading stories together and playing lots of games. Uno, Monopoly, Guess Who, Snakes and Ladders, Battle Ship are all examples of fun things to do with the kids that reinforce important skills like counting, colour and number recognition, addition and subtraction, reading, turn taking, winning and losing well, resilience building and more. When the kids are bored, I encourage you to pull out a game to play together.

See you at assembly!

Tina

Parking Safety Reminder

While there has been improvement in the speeds we are seeing from local traffic due to the Bailey St/Marshalltown Road intersection, we are still seeing considerable illegal and unsafe parking practices.

Please park only in legal parking bays, to allow the School Crossing Guard to have full visibility of the road in both directions.

Also, please do not park in NIDO's carpark if you are not collecting a child from the centre, this is not public parking and causes issues for families who are trying to pick up toddlers.

Please arrive earlier for collection if you need to be close to the gates, or park further away and walk up to the meeting point you have set up with your child.

As always, our aim is not inconvenience families, but to keep children safe, and your assistance in this is both necessary and deeply appreciated.

The image shows a principal announcement letter. At the top left is the 'Best Start Best Life' logo. At the top right is the 'VICTORIAN SCHOOL BUILDING AUTHORITY' logo. The main heading is 'PRINCIPAL ANNOUNCEMENT'. The letter is dated 04.03.24 and is addressed to the school community. The text states that a new kindergarten will be built at the school, providing additional places for the local community. It mentions that the kindergarten will be completed and open in Term 1, 2026, and will be operated by an external organization. The letter also notes that the school is working with the VSBA to minimize construction impact and will provide updates on the project's progress.

The image shows a sign with a pink background and a white border. The text on the sign reads: 'Early Departure for Last Day of Term' in a blue, cursive font. Below this, in a smaller, black, sans-serif font, it says 'Thurs 28th March—2.30pm finish'.

MOBILE PHONES AT SCHOOL

A reminder that the Department of Education has in place a mobile phone ban that requires students who bring mobile phones to school to have them switched off and securely put away during school hours.

The department is requiring all schools to ensure this ban is in place and enforced from the start of the 2024 school year. The ban applies equally to all government schools right across the state.

This helps ensure that school is a learning environment free from unnecessary distractions and disruptions.

By ensuring mobile phones are kept away at recess and lunch times, students can interact with each other face-to-face, without the distractions and social pressures that mobile phones can cause.

I ask for the support of all our families, staff and students in continuing to support the implementation of this policy in our school.

Exceptions: For a small number of students with particular health needs, an exception to the policy may be granted.

Please contact me if you would like to discuss this.

Emergencies: In the event of an emergency or if you need to immediately contact your child, I ask that families contact the school office who will pass on a message as required.

School mobile phone policy: A copy of our school's local mobile phone policy, which implements the government's mobile policy in line with our local context, is available [here](#). (if you cannot get the link, it is on the school's website)

Parent support: The Mobile phones in schools webpage provides links to resources for families to help them balance their children's time using mobile phones.

If you have further questions, please contact the administration office.

Regards, Tina Barnett

Years 1/2 Cohort

Students have been working hard with number sequencing and skip counting. They worked with a partner to create a hopscotch board with a 'just right' number to skip count from. Once they made their hopscotch, they practised saying the sequence and moved on to other student's creations. Everyone participated and it was amazing hearing the conversations between partners about their numbers and what came next in their sequence.

Grovedale Primary School is a Sun Smart School.

Being outdoors in Victoria means we're exposed to some of the harshest and most dangerous levels of ultraviolet radiation (UV) in the world.

Please remember that your children will need their hats to be able to play outside without any cover.

SCHOOL BEANIES—

School beanies can be purchased. Forms have been sent via Sentral (check the Resource tab in the App)

and there are hard copies in the office. \$20—can be paid via EFT, Cash or BPay.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum. CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

****If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF.** A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$150 for primary school students

HOW TO APPLY for NEW STUDENTS (even if you are an existing family) or CHANGED FAMILY CIRCUMSTANCES

New applicants should contact the school office to obtain a CSEF application form or download from the website below. If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

If you are eligible, you only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed to Grovedale PS this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year (eg: This includes an existing family who has a **NEW** student starting at Grovedale Primary School)

Check with the school office if you are unsure if you have completed a CSEF form or if we have applied on your behalf due to the fact that you received the funding in 2023.
