Term 2 Week 2—24th April 2024

'Our commitment to Child Safety'

Grovedale Primary School is committed to the safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making. Grovedale Primary School has zero tolerance for child abuse.

Grovedale Primary School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability. Every person involved in Grovedale Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Dear Families,

2025 Enrolments

It's already time to think about 2025 Foundation. There is a new process in place for families to put an Application to Enrol for 2025. The school can accept Applications from the start of term 2 until the 26th July. The school will provide letters of offer or non-acceptance between the dates of 29th July to the 9th August 2024.

If you have a child enrolling for 2025 and you would like to tour our school, please contact the office to make an appointment.

TERM 2

Term Two has gotten off to a beautiful start with the large majority of our students settling back into school well. Our Year 5&6 students have been setting a fantastic example as the leaders of the school and have been consistently demonstrating our school values of Being Kind, Being Safe and Being Learners. This is a long and busy term that includes many exciting things and we are very proud of the way our students have begun.

PRIMARY SCHOOL NURSING PROGRAM

Over the last two weeks our smallest students in the school have been lucky enough to spend some time with a visiting nurse. The Primary School Nursing Program is a free service offered by the Department of Education and Training (DET). It is available to all children attending government primary schools, English Language Centre Schools, Catholic and independent schools, in Victoria. It is part of a range of health and support services for school students and their families. The aim of the program is to promote child health and wellbeing and to assist in the early identification of children with potential health related difficulties.

ANZAC DAY

Tomorrow is a very important day to a lot of Australians. ANZAC day is a day to remember who Australian's who swrve in Australia's Défense Force. On Wednesday 24 April our Year 6 school leaders Charlie, Jasmine and Imogen went to Balmoral Grove Retirement Living and Nursing Home. The aim of the visit, as in other years past, was talk to some senior Australians about the importance of ANZAC day. Unfortunately there was a lot of illness at Balmoral on Wednesday so our students didn't go into the venue but donates a lovely ANZAC wreath for them to use in the commemorative celebrations.

SWIMMING PROGRAM

Our whole school swimming program is due to begin on Monday 6 May. This program has been partially funded by the Victorian Government to help provide swimming instruction for a population where 87% of people live within 50 km of the coast. Our swimming program will take place at Geelong Aquatic Centre in Newtown again this year. Please help your child to become independent in their dressing and undressing as well ensuring they pack all of their own belongings each morning and after their lessons. We really look forward to the active participation in the program.

STUDENT ATTITUDE TO SCHOOL SURVEY

In the coming weeks all students in Years 4 to 12 throughout Victorian schools will participate in the Attitudes to School Survey. This survey is a way for schools to gather information about how students feel in regard to their school, their learning, their teachers, their peers and their safety. These surveys take approximately an hour to complete and students will do so during school.

SCHOOL ASSEMBLIES

Thank you to those families who filled in our survey about our current fortnightly whole school assemblies. Due to our growth in students, we are finding it hard to fit into the Multipurpose Room for our fortnightly assemblies. We would love as many families as possible to attend these assemblies and to witness our celebrations of student work and achievement.

We proposed a few different options to our school community to help cater for our increasing number of families. The overwhelmingly preferred option was to split our school into two groups and have a Prep/Year1/Year 2 assembly one week, followed by a Year 3-6 assembly the next week. We are currently finalising the plans of how this will work.

Our assembly this coming Friday 26 April WILL BE A FULL SCHOOL assembly and we will communicate future plans soon.

See you at assembly!

Graham Byworth

Parking Safety Reminder

While there has been improvement in the speeds we are seeing from local traffic due to the Bailey St/Marshalltown Road intersection, we are still seeing considerable illegal and unsafe parking practices.

Please park only in legal parking bays, to allow the School Crossing Guard to have full visibility of the road in both directions.

Also, please do not park in NIDO's carpark if you are not collecting a child from the centre, this is not public parking and causes issues for families who are trying to pick up toddlers.

Please arrive earlier for collection if you need to be close to the gates, or park further away and walk up to the meeting point you have set up with your child.

As always, our aim is not inconvenience families, but to keep children safe, and your assistance in this is both necessary and deeply appreciated.

SWIMMING INFORMATION:

Please, if possible, have your children wear their bathers under their uniforms in the morning.

Also, swimming caps are required so don't forget to get a swimming cap before the commencement of the program.

MOBILE PHONES AT SCHOOL

A reminder that the Department of Education has in place a mobile phone ban that requires students who bring mobile phones to school to have them switched off and securely put away during school hours.

The department is requiring all schools to ensure this ban is in place and enforced from the start of the 2024 school year. The ban applies equally to all government schools right across the state.

This helps ensure that school is a learning environment free from unnecessary distractions and disruptions.

By ensuring mobile phones are kept away at recess and lunch times, students can interact with each other face-to-face, without the distractions and social pressures that mobile phones can cause.

I ask for the support of all our families, staff and students in continuing to support the implementation of this policy in our school.

Exceptions: For a small number of students with particular health needs, an exception to the policy may be granted.

Please contact me if you would like to discuss this.

Emergencies: In the event of an emergency or if you need to immediately contact your child, I ask that families contact the school office who will pass on a message as required.

School mobile phone policy: A copy of our school's local mobile phone policy, which implements the government's mobile policy in line with our local context, is available [here](#). (if you cannot get the link, it is on the school's website)

Parent support: The Mobile phones in schools webpage provides links to resources for families to help them balance their children's time using mobile phones.

If you have further questions, please contact the administration office.

Regards, Tina Barnett

The Year 3 and 4 students have been learning how to measure objects using both informal and formal units.

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Grovedale Primary School is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved
- the option for students to mark books as a favourite, give them a star rating or complete a book review

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 6 September 2024.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: <https://www.vic.gov.au/premiers-reading-challenge>

Each student will receive their individual code to log into the VPRC this week.

Grovedale Primary School is a Sun Smart School.

Being outdoors in Victoria means we're exposed to some of the harshest and most dangerous levels of ultraviolet radiation (UV) in the world.

Please remember that your children will need their hats to be able to play outside without any cover.

SCHOOL BEANIES—

School beanies can be purchased. Forms have been sent via Sentral (check the Resource tab in the App)

and there are hard copies in the office. \$20—can be paid via EFT, Cash or BPay.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum. CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

****If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF.** A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$150 for primary school students

HOW TO APPLY for NEW STUDENTS (even if you are an existing family) or CHANGED FAMILY CIRCUMSTANCES

New applicants should contact the school office to obtain a CSEF application form or download from the website below. If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

If you are eligible, you only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed to Grovedale PS this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year (eg: This includes an existing family who has a **NEW** student starting at Grovedale Primary School)

Check with the school office if you are unsure if you have completed a CSEF form or if we have applied on your behalf due to the fact that you received the funding in 2023.
