Term 2 Week 4—8th May 2024

'Our commitment to Child Safety'

Grovedale Primary School is committed to the safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making. Grovedale Primary School has zero tolerance for child abuse.

Grovedale Primary School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability. Every person involved in Grovedale Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Dear Families,

2025 Enrolments

It's already time to think about 2025 Foundation. There is a new process in place for families to put an Application to Enrol for 2025. The school can accept Applications from the start of term 2 until the 26th July. The school will provide letters of offer or non-acceptance between the dates of 29th July to the 9th August 2024.

If you have a child enrolling for 2025 and you would like to tour our school, please contact the office to make an appointment.

SWIMMING PROGRAM

This week we began our full school swimming program at the Geelong Aquatic Centre in Newtown. Our students have been thoroughly enjoying their lessons and are doing a great job at coming to school organised and ready for their lessons. If you are missing any small items of clothing such as socks or underwear, please check with your child's teacher as we do have a small amount of lost property left over.

The swimming program will conclude on Friday 17 May next week.

SCHOOL PARKING

We have been contacted several times from the staff across the road at Nido Kindergarten and Childcare. They have relayed their concerns about multiple near misses of accidents happening in their carpark. They believe this is happening as a result of Grovedale PS parents parking in their drop their children off for school. Please remember this carpark is to serve the customers and families of that Childcare centre only. When dropping off or collecting your child from our school, please park in designated carparks on Bailey St or on Marshalltown Rd near the gate that opens to our oval.

DISTRICT CROSS COUNTRY

On Monday 29 April a large group of our best runners went to represent Grovedale PS at the district cross country carnival. All our students did amazingly well and displayed great persistence. Some of our students did so well that they have now qualified to represent our district at the regional finals. Congratulations to Jasmine Harper, Imogen Strachan, Will Fotinoitis, Alfie Dave, Matina Kamsonny and Cooper Hermans who will compete in the next stage on Tuesday 14 May at East Geelong Gardens.

BAT FORCE YOUTH PROGRAMS

We have been lucky enough to have received funding to work with the Barwon Adolescent Task Force, known as BAT Force, to provide two fantastic programs for a select group of our Year 5&6 students.

Ten students have been selected to participate in the MAT program. This program combines the principles of mental wellbeing and emotional regulation with those of therapeutic martial art training techniques, games, metaphors and stories.

The format aims to engage and empower young people to learn life skills and to better manage the challenges in their lives.

A different ten students are participating in Yoga & Mindfulness sessions aimed at improving self-regulation skills with a focus on learning about the brain, developing body awareness, learning tools to support students at times of stress or when they are experiencing anxiety.

These programs will take place once a week for the remainder of Term 2 and into Term 3.

SCHOOL UNIFORM

Please ensure your child is wearing navy blue pants or shorts when they come to school each day. We have noticed a few black items starting to creep in on a daily basis and black is not part of our school uniform.

Please also be reminded that as we head into the cooler months, students can wear whatever coat/jacket they would like to when transitioning to and from school. However, when entering the classroom students are expected to be in full school uniform only. Teachers will ensure classrooms are kept at an optimal temperature for learning and students will not need jackets inside.

YEAR 7 TRANSITION FORMS

If your child is in Year 6, you would have received your Year 7 transition forms already. These forms are due back to school this coming Friday 10 May. Please ensure these are returned to school so that the next part of the process can begin promptly. If you have any questions regarding the process, please come in or call and speak with me.

See you at assembly!

Parking Safety Reminder

While there has been improvement in the speeds we are seeing from local traffic due to the Bailey St/Marshalltown Road intersection, we are still seeing considerable illegal and unsafe parking practices.

Please park only in legal parking bays, to allow the School Crossing Guard to have full visibility of the road in both directions.

Also, please do not park in NIDO's carpark if you are not collecting a child from the centre, this is not public parking and causes issues for families who are trying to pick up toddlers.

Please arrive earlier for collection if you need to be close to the gates, or park further away and walk up to the meeting point you have set up with your child.

As always, our aim is not inconvenience families, but to keep children safe, and your assistance in this is both necessary and deeply appreciated.

MOBILE PHONES AT SCHOOL

A reminder that the Department of Education has in place a mobile phone ban that requires students who bring mobile phones to school to have them switched off and securely put away during school hours.

The department is requiring all schools to ensure this ban is in place and enforced from the start of the 2024 school year.

The ban applies equally to all government schools right across the state.

This helps ensure that school is a learning environment free from unnecessary distractions and disruptions.

By ensuring mobile phones are kept away at recess and lunch times, students can interact with each other face-to-face, without the distractions and social pressures that mobile phones can cause.

I ask for the support of all our families, staff and students in continuing to support the implementation of this policy in our school.

Exceptions: For a small number of students with particular health needs, an exception to the policy may be granted.

Please contact me if you would like to discuss this.

Emergencies: In the event of an emergency or if you need to immediately contact your child, I ask that families contact the school office who will pass on a message as required.

School mobile phone policy: A copy of our school's local mobile phone policy, which implements the government's mobile policy in line with our local context, is available [here](#). (if you cannot get the link, it is on the school's website)

Parent support: The Mobile phones in schools webpage provides links to resources for families to help them balance their children's time using mobile phones.

If you have further questions, please contact the administration office.

Regards, Tina Barnett

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Grovedale Primary School is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved
- the option for students to mark books as a favourite, give them a star rating or complete a book review

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 6 September 2024.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: <https://www.vic.gov.au/premiers-reading-challenge>

Each student will receive their individual code to log into the VPRC this week.

Tom from Tom's Marketplace in Armstrong Creek continues to supply our school with a box of free fruit every week. Please drop in and support him and say thanks.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

APPLICATIONS CLOSE 28TH JUNE 2024

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum. CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

****If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF.** A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$150 for primary school students

HOW TO APPLY for NEW STUDENTS (even if you are an existing family) or CHANGED FAMILY CIRCUMSTANCES

New applicants should contact the school office to obtain a CSEF application form or download from the website below. If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

If you are eligible, you only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed to Grovedale PS this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year (eg: This includes an existing family who has a **NEW** student starting at Grovedale Primary School)

Check with the school office if you are unsure if you have completed a CSEF form or if we have applied on your behalf due to the fact that you received the funding in 2023.
